Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install "2P (9am-5pm Mon-Fri, Permit Parking Excepted Precinct 12) on the western side of Alfred Street Waratah, between Station Street and Smart Street.

The proposed changes are in response to a request from a local resident to improve parking availability at this location.

Alfred Street is within Resident Parking Precinct 12 with unrestricted parking present on both sides of the street.

Observations of the area have indicated that on-street parking is frequently occupied by long-term parking which significantly reduces the availability of parking in the area for residents and their visitors.

This proposal will allow a higher rate of parking turnover, providing residents and their visitors with greater access to parking spaces, while those with permits can park in designated areas without restriction.

Information on parking permit eligibility criteria is available at:
