Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install "No Parking (6am – 12noon, Wednesday) on the southern side of Sunnyside Street Mayfield, between Hanbury Street and Railway Terrace.

The proposed changes are in response to concerns raised by CN Waste Collection Services regarding ongoing issues with access to the street, resulting in missed collection.

Sunnyside Street is a two-way road, approximately 6.6m wide, and unrestricted parking is on both sides of the street. Due to the street being narrow, parking on both sides of the street restricts accessibility for waste collection services.

Installing the proposed restrictions on the southern side of the street will retain more parking spaces than if they were installed on the northern side of the street. This change should ensure access to the street for waste collection services.
