INTRODUCTION

1 Background

- 1.1 The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of City of Newcastle (CN).
- 1.2 Expenses and facilities provided by this Policy are in addition to fees paid to Councillors, as set by Council and determined by the Local Government Remuneration Tribunal as per Section 241 of the *Local Government Act 1993* (Act) and reviewed annually.

2 Purpose

- 2.1 The purpose of this Policy is to:
 - a) Clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties;
 - b) Enable the reasonable and appropriate reimbursement of expenses incurred by the Lord Mayor and Councillors while undertaking their duties and civic functions;
 - c) Enable facilities of a reasonable and appropriate standard to be provided to the Lord Mayor and Councillors to support them in undertaking their civic duties;
 - d) Ensure accountability and transparency in reimbursement of expenses and provision of facilities to the Lord Mayor and Councillors;
 - e) Ensure the provision of expenses and facilities to the Lord Mayor and Councillors is in line with community expectations;
 - f) Support a diversity of representation on the Council;
 - g) Establish a process and framework for the approval of expenses by staff; and
 - h) Fulfil CN's statutory responsibilities under the Act and Local Government (General) Regulation 2021 (NSW).

3 Principles

- 3.1 CN commits itself to the following principles:
 - a) **Accountability and transparency** – clearly stating and reporting on the expenses and facilities provided to Councillors.
 - b) **Appropriate use of resources** – providing clear direction on the appropriate use of council resources in accordance with legal requirements and community expectations.
 - c) **Equity** – there must be equitable access to expenses and facilities for all Councillors.
 - d) **Participation and access** – enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor.
 - e) **Proper conduct** – Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions.
 - f) **Reasonable expenses** – providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor.

4 Private or political benefit

- 4.1 Councillors must not obtain private or political benefit from any expense or facility provided under this Policy.
- 4.2 Incidental private use of council equipment and facilities by Councillors may occur from time to time, and does not breach this Policy or CN's Code of Conduct.

- 4.3 Such incidental private use does not require a compensatory payment back to CN.
- 4.4 Councillors should avoid obtaining any greater private benefit from CN than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of CN facilities does occur, Councillors must reimburse CN if an actual cost of the private use can be substantiated by CN (in accordance with s.252(2) of the Act).
- 4.5 Campaigns for (re)election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a (re)election campaign:
- a) Production of material for a local, state or federal election;
 - b) Use of CN resources and equipment for campaigning;
 - c) Use of official CN letterhead, publications, websites or services for political benefit;
 - d) Fundraising activities of political parties or individuals, including political fundraising events.
