Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to install "No Parking (8am – 9.30am, 2.30pm – 4.00pm School Days) on the eastern side of Whiteman Street Waratah, between Dawson Street and High Street.

The proposed changes are in response to requests received from local residents regarding parking and safety issues in the street.

Whiteman Street is a two-way road, approximately 6.5m wide (pavement width is approximately 3.5m), and currently possesses unrestricted parking on the eastern side of the street.

Observations have indicated that on-street parking is highly occupied by parents to pick-up and drop-off children during school times, restricting accessibility to the street and causing pedestrian safety concerns in the street due to the limited width.

This proposal can maintain two-way traffic, improve road safety, and ensure access to the street for all vehicles during school times.
