Exhibition

City of Newcastle is proposing the following traffic or parking amendment:

It is proposed to extend Parking Precinct 18 (Brunker Road) to include Brunker Road and Gosford Road between Coolah Road/Awaba Road, and Chatham Street, Broadmeadow.

This proposed change is in response to requests from local residents to improve parking availability throughout the area, in particular, properties that do not have off-street parking available.

Observations of the area have indicated that on-street parking is frequently occupied by long-term parking which significantly reduces the availability of parking in the area open to visitors and residents.

The proposed precinct area will allow restrictions to be installed which carry exemptions for residents who park with a permit and provide higher turnover rate parking inventory for the public at the location.
