Off leash areas

Newcastle off leash areas allow your dog to be exercised off leash and are subject to the dog being under effective control by a competent person at all times.

NB: Dog owners are responsible for picking up after their dog.

Time restricted off leash areas

Braye Park, Waratah:

Sunrise to 9am, 5pm to sunset.

West End Park, Adamstown:

Sunrise to 9am, 5pm to sunset.

Dixon Park Reserve, Merewether:

Sunrise to 9am, 5pm to sunset.

The following conditions apply:

- Dogs are permitted off leash between sunrise and sunset only.
- Off leash activities will be permitted only on designated areas approved by Council.
- All dogs using the areas are to be accompanied and supervised by a competent person.
- All dogs using the area must be able to be controlled without a leash, eg. return to handler on command.
- Dogs declared dangerous dogs by Council, menacing and restricted breeds eg. Pitbull Terriers as indicated under the Companion Animals Act 1998 are not permitted to use any designated off leash areas.
- It is the responsibility of the dog owner in each instance to remove all dog faeces.
- The owner is liable if the dog attacks a person or animal.
- Dogs must not be encouraged to attack.
